

# KernowJet FloorShark Floor Graphics Film 170TFG

170TFG is a textured white print receptive PET film, with an optimised pressure sensitive adhesive for floor graphic applications

| Property                           | Typical Value | Unit   | Test Method  |
|------------------------------------|---------------|--------|--|
| <b>Construction</b>                |               |        |  |
| Total Thickness                    | 315 +/- 6     | μ      | Electronic micrometer  |
| Total Weight                       | 385 +/- 8     | gsm    | Internal method  |
| <b>Face Material (without PSA)</b> |               |        |  |
| Thickness                          | 170 +/- 4     | μ      | Electronic micrometer  |
| Weight                             | 224 +/- 5     | gsm    | Internal method  |
| <b>Adhesive</b>                    |               |        |  |
| Thickness                          | 35 +/- 5      | μ      | Electronic micrometer  |
| 180° Peel Adhesion (SS)            | 11 +/- 1      | N/25mm | FINAT 1 (Modified)<br>200μ Thickness / 25mm strip/ 30min dwell |
| Adhesive Application Temperature   | +5 to +50     | °C     | Internal Method  |
| Adhesive Service Temperature       | -40 to +180   | °C     | Internal Method  |
| <b>Liner</b>                       |               |        |  |
| Liner Thickness                    | 115 +/- 3     | μ      | Electronic micrometer  |
| Liner Weight                       | 130 +/- 3     | gsm    | Internal method  |

### Attributes

- Unique sharkskin coating, ink absorbent & drying tough
- No lamination required
- R10 slip certified
- Durable surface, resists pallet truck scuffing & stiletto heels
- Also perfect for application to short-pile carpet tiles
- Easy to apply & easy to remove

### Printability

### Recommended Conditions

|            |               |              |
|------------|---------------|--------------|
| Print room | 10°C - 30°C   | 30% - 65% RH |
| Usage      | -40°C – 180°C | 10% - 90% RH |
| Storage    | 10°C - 20°C   | 20% - 50% RH |

**Shelf Life:** 18months (Original packaging and under recommended storage conditions).
